

CLAUDE CODE · v2.1.261

The skills you pay for in silence

/skill-doctor · your context bill

WHAT IT DOES

- Lists every loaded skill
- Flags the ones never used
- Prices each one in tokens
- Scans your session transcripts

WHY IT MATTERS

Every skill description
ships in the system prompt
on every single request

The command is on by default

MY OWN RUN

3.4k

tokens on every request

41 SKILLS · HALF NEVER CALLED

TRY IT

**Run `/skill-doctor`
and prune the dead weight**
