A Photoshop clone in 15 days

13 apps in pure Rust, every line written by an agent

WHAT SHIPPED IN TWO WEEKS

- Photoshop and Illustrator clones
- Word, Excel, PowerPoint
- Pro Tools and AutoCAD
- the founder wrote no code

PHOTOCRAFT ALONE

2,197

pull requests merged in 15 days

plus 3,034 issues in the same repo

THE OTHER SIDE

- ready for real work: 45%
- typing lags ~1s per character
- same model wrote the clean room
- Adobe quietly dropped from descriptions

FROM ISSUE «YOU ARE ASKING FOR LAWSUITS»

Your repository descriptions will likely serve as Exhibit A in a Manhattan courtroom
