Diagrams your designer won't hate

diagram-design — a Claude Code skill

THE PAIN

Ask for a diagram,
get generic boxes
and Mermaid slop

every agent by default

WHAT YOU GET

- 27 editorial diagram types
- Self-contained HTML + SVG
- No build step, no JS
- Light / dark / full-editorial

BRANDING

60 sec

reads your website

applies your colors and fonts

BONUS

- Redraws existing Mermaid
- Redraws draw.io sources
- Claude Code, Codex, Pi
- MIT licensed

TRY IT

**A good diagram is
fewer boxes,
not more**
