CONGRESS · NOV 6

Congress wants the AI chat logs

House Oversight to Delaware, deadline Nov 9

WHAT IS DEMANDED

- All AIC records since January 2025
- State correspondence with Norm Ai
- Internal AI chat logs
- Due by November 9, 2026

THE CLAIM

A liability shield
for powerful AI firms
and their investors

James Comer, House Oversight

WHY THE STATE CARES

67%

of the Fortune 500 are incorporated there

franchise tax near $2.2B, a third of the budget

WEAK SPOTS

- The state AI report runs two pages
- No safety risk assessment in it
- A private law firm drafted the act
- The governor answered about elections

TAKEAWAY

Agent personhood is settled in court, not in code
