A company run by an AI agent

Draft bill for the AI Company entity

STATUS

36 pages

a draft, not introduced before 2027

Secretary of State plus legal-AI startup Norm Ai

WHAT AN AIC CAN DO

- Sign contracts on its own
- Own and dispose of property
- Sue and be sued
- Any lawful purpose except banking

THE BRAKES

- A 30-month regulatory sandbox
- Admission by a state committee
- A human guarantor keeps it capitalized
- Every decision and transaction logged

WHY THE STATE CARES

~$2B

a year in entity fees, a third of the budget

FY25 to FY26 growth was only 1 percent

TAKEAWAY

Liability does not split between you and your agent
